

# Rocky Railway VBS at St. Andrew

## August 2-6, 2021

### 9:15-11:45 a.m.

We are grateful and excited to offer in-person VBS at St. Andrew once again this summer. Despite continuing public health concerns, we are confident that we can ensure the safety of children and volunteers as we plan a Spirit-filled **Rocky Railway** experience that will help kids learn and understand how “Jesus’ Power Pulls Us Through!”

### COVID protocols planned for this event will include:

- **Following of all CDC guidelines** and Montgomery County COVID restrictions in place at the time of the event.
- **Limit on the number of participants** based on Montgomery County guidelines, currently set at a maximum of 150 to ensure safe distancing.
- **Pre-registered participants only.** No walk-ins will be accepted.
- **Increased outdoor activity,** weather permitting
- **Temperature checks** for all volunteers at the start of every day.
- **Masks** worn by staff, volunteers and participants.
- **Timeframe abbreviated** to 2.5 hours/day.
- **Individually pre-packaged, store-bought snacks** which will limit contact and increase safety for all.
- **Hand sanitizing** for all when coming and going from each classroom or rotation.
- **“Clean Team” sanitizing** supplies and surfaces between rotations
- **Non-contact modifications** for games and stations.
- **Drive-up check-in/check-out** for all families to limit the number of people gathering in and around the building
- **Safe traffic flow** clearly marked for all throughout the building.
- **Health care professional available** on premises at all times to attend to any issues or concerns.
